**Food Service Management Services**

**Mississippi Schools for the Deaf and the Blind (MSDB) is soliciting competitive sealed proposals from qualified vendors for Food Service Management Services**

There are no plans to change the approach to delivery of food services. The normal style of food service is cafeteria. Both schools participate in the National School Lunch, School Breakfast, After-School Snack and Food Distribution Programs.

The daily activities at the school are under the administration of a superintendent. The Director of Finance and Operations is the administrator of the Food Service Contract.

The schools provide specialized instruction for students who are hearing impaired and visually impaired. The enrollment for the two schools is expected to remain stable; therefore, the meal counts provide in the Budget Summary of the RFP reflect anticipated enrollment for the 2024-2025 school year. ## 24. STOP WORK ORDER

- (1) **Order to Stop Work:** The MSDB Superintendent or designee, may, by written order to Contractor at any time, and without notice to any surety, require Contractor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to Contractor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, MSDB Superintendent or designee shall either:
  - (a) cancel the stop work order; or
  - (b) terminate the work covered by such order as provided in the Termination for Default clause or the Termination for Convenience clause of this contract.
- (2) **Cancellation or Expiration of the Order:** If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the contract shall be modified in writing accordingly, if:
  - (a) the stop work order results in an increase in the time required for, or in Contractor's properly allocable to, the performance of any part of this contract; and
  - (b) Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the MSDB Superintendent or designee decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.
- (3) **Termination of Stopped Work:** If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.
- (4) **Adjustments of Price:** Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this contract.

## 25. TERMINATION FOR CONVENIENCE

- (1) *Termination.* The MSDB Superintendent or designee may, when the interests of the District so require, terminate this contract in whole or in part, for the convenience of the District. The MSDB Superintendent or designee shall give written notice of the termination to Contractor specifying the part of the contract terminated and when termination becomes effective.
- (2) *Contractor's Obligations.* Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Contractor shall stop work to the extent specified. Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Contractor shall settle the liabilities and claims arising out of the termination of subcontractors and orders connected with the terminated work. The Superintendent or designee may direct Contractor to assign Contractor's right, title, and interest under terminated orders or subcontracts to the District. Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

## 26. TERMINATION FOR DEFAULT

- (1) **Default.** If Contractor refuses or fails to perform any of the provisions of this contract with such diligence as shall ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the MSDB Superintendent or designee may notify Contractor in writing of the delay or nonperformance and if not cured in ten days or any longer time specified in writing by the MSDB Superintendent or designee, such officer may terminate Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the MSDB Superintendent or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the MSDB Superintendent or designee. Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- (2) **Contractor's Duties.** Notwithstanding termination of the contract and subject to any directions from the MSDB Superintendent or designee, Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Contractor in which the MSDB has an interest.
- (3) **Compensation.** Payment for completed services delivered and accepted by the District shall be at the contract price. The District may withhold from amounts due Contractor such sums as the MSDB Superintendent or designee deems to be necessary to protect the District against loss because of outstanding liens or claims of former lien holders and to reimburse the MSDB Superintendent or designee for the excess costs incurred in procuring similar goods and services.
- (4) **Excuse for Nonperformance or Delayed Performance.** Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the MSDB Superintendent or designee

within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the District and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Contractor to meet the contract requirements. Upon request of Contractor, the MSDB Superintendent or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the District under the clause entitled (in fixed-price contracts, "Termination for Convenience," in cost-reimbursement contracts, "Termination"). "Termination for Convenience." (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).

- (5) **Erroneous Termination for Default.** If, after notice of termination of Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the MSDB, be the same as if the notice of termination had been issued pursuant to such clause.
- (6) **Additional Rights and Remedies.** The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

## 27. TERMINATION UPON BANKRUPTCY

This contract may be terminated in whole or in part by the MSDB upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.

## 28. TRADE SECRETS, COMMERCIAL AND FINANCIAL INFORMATION

It is expressly understood that Mississippi law requires that the provisions of this contract which contain the commodities purchased or the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret or confidential commercial or financial information and shall be available for examination, copying, or reproduction.

### **30. UNSATISFACTORY WORK**

If, at any time during the contract term, the service performed or work done by Contractor is considered by the District to create a condition that threatens the health, safety, or welfare of the citizens and/or employees of the State of Mississippi, Contractor shall, on being notified by the District, immediately correct such deficient service or work. In the event Contractor fails, after notice, to correct the deficient service or work immediately, the Agency shall have the right to order the correction of the deficiency by separate contract or with its own resources at the expense of Contractor.
